Experience:

2002-Present

ALLIANCE DRILLING CONSULTANTS, LLC

Drilling and Completion Supervisor on turnkey and daywork jobs in South Louisiana and Texas

2001-2002

Petro-Hunt Corporation – Dallas, TX

Drilling and Completion Supervisor

Supervised drilling and completion operations on deep HTHP land wells (depths to 20,000') in South LA for this independent oil & gas operator with heavy emphasis on operational efficiency and safety.

2000-2001

Burlington/Newfield Exploration-Houston, TX

Drilling and Completion Supervisor

Supervised drilling, completion, and work-over operations on HTHP wells offshore GOM. Worked jack-up and platform rig applications.

1998-2000

The Houston Exploration Company-Houston, TX

Drilling and Completion Supervisor

Wellsite supervision of THEC drilling, completion, and work-over operations. Drilled and completed several HTHP wells in the GOM. Drilled and completed wells to +17,000' with BHP in excess of 14000 psi. Experience in East Cameron, West Cameron, High Island, Galveston, Matagorda Island, and Mustang Island areas in GOM.

1997-1998

Aviara Energy Corporation-Houston, TX

Contract Drilling Supervisor

Well site supervision and management of drilling completion operations. Drilled and completed deep, high-pressured South Louisiana prospects.

1986-1996

Independent Drilling Consultant-Houston, TX

Worked as Contract Drilling Consultant for several independent and major operators in GOM and along the Gulf Coast and in South. TX. Supervised drilling, completion, and work-over operations. Operators who I worked well site operations for included Apache Corporation, Chevron Corporation, Santa Fe Energy, Gulfstar Energy, Frontier Energy Management, and Alpine Energy Services.

1981-1986

Mobil Oil-Libya Operations-North Africa

Operations Field Superintendent

Supervision and field management over drilling, completion, and work-over operations performed by field personnel on high pressure gas wells in remote locations. Completion operations experience with gas-lift, sand control and high-tech stimulation practices.

1975-1981

Strategic Petroleum Reserve, TX-LA

Drilling Superintendent

Supervision and field management over drilling, completion, and work-over operations performed by field personnel oil & gas storage projects for the U.S. Government.

Performed wellsite supervision at Hackberry, LA, Freeport, TX (Bryans Mound), and Plaquemine Parish (Bayou Choctaw), installations.

Field supervisor for Big Chief Drilling Company over Big Hill Projects (Chambers Co., TX).

1959-1975

Drilling Contractors

Worked for various drilling contractors including Falcon-Seaboard, Columbia Drilling Company, Storm Drilling Company, and Prodeco Drilling Company. Land, inland barges, platform, and jack-up experience. Worked as floorman, derrickman, driller, and toolpusher. Pushed tools on land rigs, inland barges, and jack-ups.
